

Wednesday Night Blue Tee League

Playoffs:

The play off picture for this year looks pretty straight forward. We are scheduled for a total of 21 weeks and will follow to that schedule. We will only have 1 division of playoffs. The 8 teams will make it to the playoffs this year. And the format for week 1 will be as follows:

Week #1	1 vs. 8
	2 vs. 7
	3 vs. 6
	4 vs. 5

*Winners will move on and losing teams will reach the end of the road. 3 weeks of playoffs with playoffs determining positions. Ties will have to be determined on the same evening so teams can be scheduled for the next week. More details on tie breaking will be determined before the beginning of playoffs.

Playoffs will begin on week 19 of the week. We will use weeks 17 and 18 as position weeks if necessary as position weeks to start breaking any ties in standings. I should have a clearer picture of prize money closer to the fact and determine how many teams will end in a paying position. For the first time we will use playoffs to determine the prize positions.
