

## Wednesday Night White Tee League

### **First Half:**

The First Half has come to an end and we have determined to take the top 2 teams to the big dance. We will also be taking the top two teams of the second half to the playoffs. Teams that already qualified cannot be picked again leaving room for the next two teams. Teams that do not qualify for the playoffs don't give up as league record will determine the final positioning for the league as we will be paying some first half teams, some second teams and overall league standings and playoffs. The play offs will determine the top 4 positions for the overall league.

Playoffs will begin on week #21 (August 30th) for two weeks. League play will continue but will be handled as position weeks to break ties and determine final week standings. Playoff schedule will be handled as follows:

Week 1:                    1 (First Half) Vs. 2 (Second Half)

                                 1 (Second Half) Vs. 2(First Half)

The four top teams will be playing both weeks to determine to top 4 spots.
